

교육용 자료 안내

본 자료는 Darun Color Institute의 색채 교육 과정을 위해 제공되는 교육용 문서입니다. 학생들이 안전한 재료 취급을 학습하기 위해 사용된 원료의 물리화학적 특성과 안전 정보를 공개합니다.

다만, 이 자료에 포함된 정보는 교육 목적으로만 활용되어야 하며, 상업적 목적의 제품 제조 및 판매는 엄격히 금지됩니다.

화장품 제조업 허가를 취득한 자가 독립적으로 제품을 개발·판매할 경우, 다음을 반드시 준수해야 합니다:

- 신뢰할 수 있는 화장품 원료 전문 제조사로부터 원료를 직접 확보
- 해당 제조사로부터 최신 MSDS 및 시험성적서(CoA, 안정성 시험 등)를 개별 요청
- 식품의약품안전처 규정에 따른 원료 검증 및 제품 신고

이는 소비자 안전과 법적 책임을 보장하기 위한 필수 절차입니다.

Educational Material Notice

This document is provided by Darun Color Institute as an educational resource for our color science training programs. To support student learning in safe material handling practices, we disclose the physical, chemical, and safety characteristics of the raw materials used in our formulations.

However, all information contained in this material is strictly for educational purposes only. Any commercial use for product manufacturing or sales is strictly prohibited.

Should you obtain cosmetic manufacturing authorization and independently develop products for commercial purposes, you must:

- Source raw materials directly from reliable cosmetic ingredient manufacturers
- Request current MSDS and certificates of analysis (CoA) individually from the respective manufacturers
- Verify all raw materials and complete product registration in compliance with Korea Food and Drug Administration (KFDA) regulations

These procedures are mandatory requirements to ensure consumer safety and fulfill legal responsibilities.

Material Safety Data Sheet (MSDS)

1. Chemical Product and Company Identification

Item	Information
Product Name	Educational Lipgloss Binder
Recommended Use	Cosmetic raw material
Means of Identification	Not available
Relevant identified uses	Not applicable

2. Hazards Identification

Category	Details
GHS Classification	Not classified as dangerous
Hazard Statements	Not applicable
Precautionary Statements	General precautions: Handle with care. Avoid direct contact with eyes. Normal handling precautions should be followed.

3. Composition/Information on Ingredients

**Composition ratios are provided as approximate ranges for educational purposes*

Substance/mixture : Mixture

There are no ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment, are PBTs or vPvBs or have been assigned a workplace exposure limit and hence require reporting in this section.

4. First Aid Measures

Route of Exposure	First Aid Procedure
Eye Contact	Rinse with large amounts of water for at least 15 minutes. If irritation or redness persists, seek medical attention.
Skin Contact	No unusual hazards associated with this product. Normal washing with soap and water is sufficient.
Inhalation	No unusual hazards associated with this product. Move to fresh air if needed.
Ingestion	In case of ingestion, induce vomiting and consult physicians immediately.
Medical Attention	Ensure medical personnel are aware of substance exposure and take appropriate protective measures.

5. Fire-Fighting Measures

Item	Information
Suitable Extinguishing Media	CO2, foam, or dry chemical
Special Hazards	This material may burn but will not ignite readily. Keep all sources of ignition away from spill/release.
Special Precautions	Do not use water or water spray to extinguish. Firefighters should wear self-contained breathing apparatus in positive pressure mode with full facepiece when exposure to smoke or hazardous decomposition products is possible.
Storage Temperature	Keep in temperature less than 45°C

6. Accidental Release Measures

Action	Description
Prevention	Keep all sources of ignition away from spill/release. Avoid container damage while handling and storing.
Handling Spills	Clean with soap and water. Remove residues from contaminated areas.
Environmental Protection	Dispose of spill in accordance with local authority regulations.

7. Handling and Storage

Category	Requirements
Handling	Container may be hazardous when emptied. Since emptied containers retain product residues, all hazard precautions must be observed. Avoid container damage while handling and storing.
Storage	Keep containers closed until used. Store at temperature less than 45°C. To maintain product quality, do not store in heat or direct sunlight.

8. Exposure Controls/Personal Protection

Control Type	Requirement
Engineering Controls	Normal handling precautions and storage consistent with good manufacturing practices should be followed.
Eye Protection	Avoid direct contact with eyes. Recommended facilities: Eye wash, washing facility, safety shower.
Skin Protection	Avoid container damage while handling. Use normal precautions.
Respiratory Protection	No special respiratory protection required under normal conditions.

9. Physical and Chemical Properties

Property	Value
----------	-------

Appearance	Solid - colour mixture
Odor	Faint
Melting Point	60-100°C
Flash Point	Above 150°C
Density (20°C)	0.98-1.02 g/cm ³
Solubility in Water (20°C)	Insoluble
Stability	Product is stable for 36 months from date of manufacture

10. Stability and Reactivity

Item	Information
Chemical Stability	This product is stable at room temperature
Conditions to Avoid	Heat, sparks, flames and other ignition sources
Incompatible Materials	Keep away from oxidizing agents
Hazardous Decomposition	No data available

11. Toxicological Information

Effect	Description
Acute Toxicity	Not available
Skin Irritation	Not available
Eye Irritation	Not available
Respiratory Irritation	Not available
Carcinogenicity	Not available
Reproductive Toxicity	Not available

12. Ecological Information

Category	Information
Ecological Hazards	No damage done
Persistency and Degradability	No data available
Bio-condensability	No data available
Soil Mobility	No data available

13. Disposal Considerations

Item	Information
Disposal Method	Dispose in accordance with all applicable regulations and local

	authority regulations
Precautions	Container may be hazardous when emptied

14. Transport Information

Item	Information
Classification	No classification assigned
UN Number	Not applicable
Proper Shipping Name	Not applicable

15. Regulatory Information

Item	Information
Regulatory Basis	Please refer to national measures that may be relevant

16. Other Information

Item	Information
Disclaimer	This Material Safety Data Sheet is based upon data considered to be accurate at the time of its preparation. Despite our efforts, it may not be up to date or applicable to the circumstances of any particular case. We are not responsible for any damage or injury resulting from abnormal use, from any failure to follow appropriate practices or from hazards inherent in the nature of the product.
