

교육용 자료 안내

본 자료는 Darun Color Institute의 색채 교육 과정을 위해 제공되는 교육용 문서입니다. 학생들이 안전한 재료 취급을 학습하기 위해 사용된 원료의 물리화학적 특성과 안전 정보를 공개합니다.

다만, 이 자료에 포함된 정보는 교육 목적으로만 활용되어야 하며, 상업적 목적의 제품 제조 및 판매는 엄격히 금지됩니다.

화장품 제조업 허가를 취득한 자가 독립적으로 제품을 개발·판매할 경우, 다음을 반드시 준수해야 합니다:

- 신뢰할 수 있는 화장품 원료 전문 제조사로부터 원료를 직접 확보
- 해당 제조사로부터 최신 MSDS 및 시험성적서(CoA, 안정성 시험 등)를 개별 요청
- 식품의약품안전처 규정에 따른 원료 검증 및 제품 신고

이는 소비자 안전과 법적 책임을 보장하기 위한 필수 절차입니다.

Educational Material Notice

This document is provided by Darun Color Institute as an educational resource for our color science training programs. To support student learning in safe material handling practices, we disclose the physical, chemical, and safety characteristics of the raw materials used in our formulations.

However, all information contained in this material is strictly for educational purposes only. Any commercial use for product manufacturing or sales is strictly prohibited.

Should you obtain cosmetic manufacturing authorization and independently develop products for commercial purposes, you must:

- Source raw materials directly from reliable cosmetic ingredient manufacturers
- Request current MSDS and certificates of analysis (CoA) individually from the respective manufacturers
- Verify all raw materials and complete product registration in compliance with Korea Food and Drug Administration (KFDA) regulations

These procedures are mandatory requirements to ensure consumer safety and fulfill legal responsibilities.

Material Safety Data Sheet (MSDS)

1. Chemical Product and Company Identification

Item	Information
Product Name	Educational Lip Color Z-RED
Recommended Use	Cosmetic ingredient
Means of Identification	Not available
Relevant identified uses	Not applicable

2. Hazards Identification

Category	Details
GHS Classification	Health: H315, H319, H335, H372
Hazard Statements	H315: Causes skin irritation H319: Causes serious eye irritation H335: May cause respiratory irritation H372: Causes damage to organs through prolonged/repeated exposure
Precautionary Statements	P201: Obtain special instructions before use P202: Do not handle until safety precautions read P261: Avoid breathing dust, fumes, gas, mist, spray P281: Use personal protective equipment as required P403+P233: Store in well-ventilated place. Keep tightly closed

3. Composition/Information on Ingredients

**Composition ratios are provided as approximate ranges for educational purposes*

Substance/mixture : Mixture

There are no ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment, are PBTs or vPvBs or have been assigned a workplace exposure limit and hence require reporting in this section.

4. First Aid Measures

Route of Exposure	First Aid Procedure
Eye Contact	Rinse with water for at least 20 minutes. Seek medical attention immediately.
Skin Contact	Rinse with water for at least 20 minutes. Seek medical attention if irritation persists.
Inhalation	Move to fresh air immediately. If breathing is difficult, seek medical attention.

Ingestion	Do not induce vomiting. Seek medical attention immediately.
-----------	---

5. Fire-Fighting Measures

Item	Information
Suitable Extinguishing Media	Foam, alcohol-resistant foam, carbon dioxide, water spray, dry powder
Specific Hazards	Irritative and toxic gases may be released during combustion
Special Protective Equipment	Use self-contained breathing apparatus and chemical-resistant protective clothing

6. Accidental Release Measures

Action	Description
Prevention	Remove all ignition sources; prevent dust formation; ventilate contaminated area
Handling Spills	Small spills: Clean with water Large spills: Contain and dispose according to local regulations
Environmental Protection	Avoid contact with skin, eyes, clothing. Do not allow material to enter waterways, drains, or confined spaces

7. Handling and Storage

Category	Requirements
Handling	Use in well-ventilated area Avoid breathing dust and direct skin/eye contact Prevent dust formation
Storage	Store in well-ventilated place; keep container tightly closed Store away from heat, ignition sources, incompatible materials Keep away from moisture

8. Exposure Controls/Personal Protection

Control Type	Requirement
Engineering Controls	Use local exhaust ventilation
Respiratory Protection	Use qualified respiratory protector if dust is present
Eye Protection	Wear safety glasses or goggles

Hand Protection	Wear chemically resistant gloves
Body Protection	Wear chemically resistant protective clothing

9. Physical and Chemical Properties

Property	Value
Appearance	Red paste
Odor	Not specified
pH	No data
Flash Point	No data
Viscosity	No data
Solubility	Not specified

10. Stability and Reactivity

Item	Information
Chemical Stability	Stable under normal conditions
Conditions to Avoid	Heat, ignition sources, moisture
Incompatible Materials	Combustible materials, reducing agents
Hazardous Decomposition	Irritative, corrosive, and toxic gases may be released during combustion

11. Toxicological Information

Effect	Description
Acute Toxicity	No data available
Skin Irritation	Causes skin irritation upon contact
Eye Irritation	Causes serious eye irritation upon contact
Respiratory Irritation	May cause respiratory irritation if inhaled
Long-term Exposure	Prolonged or repeated exposure may cause damage to lungs and organs

12. Ecological Information

Category	Information
Ecological Toxicity	No data available
Persistency and Degradability	No data available
Bio-condensability	No data available

13. Disposal Considerations

Item	Information
Disposal Method	Dispose of contents/container in accordance with all applicable local, regional, national, and international regulations

14. Transport Information

Item	Information
Classification	Non-hazardous for air transport (IATA regulation)
UN Number	Not applicable
Proper Shipping Name	Not applicable

15. Regulatory Information

Item	Information
Regulatory Basis	Prepared in accordance with Article 41 of the Occupational Safety and Health Act and relevant KFDA regulations

16. Other Information

Item	Information
Disclaimer	To the best of our knowledge, the information contained herein is accurate. However, we cannot accept any responsibility or liability for any consequences arising from use of it. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution.
